NOTICE TO VACATE JUNE 2, 2025 TO JUNE 27, 2025 HEARING DATES

In January 2025, the Commissioner of Insurance Michael Conway provided notice of proposed public hearing dates under § 10-16-1306, C.R.S., which are scheduled for dates between June 2, 2025 and July 22, 2025.

The March 1, 2025 Notices and filings indicated that none of the Carriers chose to file a complaint against a provider or providers that may have been the cause of the Carrier failing to meet the requirements of §§ 10-16-1305 and -1306. The Division has not yet filed a complaint regarding any Carrier. The Division's March 31, 2025 status update indicated that the Division did not expect to file any complaints concerning network adequacy and that any complaints concerning rate reductions would be filed "approximately mid-May 2025."

Pending rescheduling as needed, the Commissioner vacates the proposed hearing dates scheduled between June 2, 2025 and June 27, 2025. The rest of the proposed hearing dates remain as scheduled until further notice by the Commissioner.

DATED this 23rd day of May, 2025.
