Please note: This attestation form DOES NOT replace the Medical Carrier Network Adequacy Form that must be filed with the Division during "normal" network adequacy filings. This form is used to determine whether the Commissioner will hold a public hearing pursuant to Section 10-16-1306, C.R.S. regarding a carrier's inability to meet network adequacy standards on Colorado Option plans.

Does the carrier **EXPECT** to file with the Division that it has met the Network Adequacy Standards set forth in Colorado Insurance Regulation 4-2-53 for the upcoming plan year for Colorado Option Plan *Networks*?

No

If No, does the carrier **EXPECT** to prepare and file the appropriate attachments within the Medical Network Adequacy Attestation Form with the specific reasons for not meeting the standard(s) for Colorado Option Plan Networks?

Yes

Does the carrier **EXPECT** to file with the Division that it has met the Network Access Plan and Continuity of Care requirements set forth in Colorado Insurance Regulation 4-2-54 and 4-2-56 for Colorado Option Plan Networks?

Yes

If No, does the carrier **EXPECT** to prepare and file the appropriate attachment within the Medical Network Adequacy Attestation Form with the specific reasons for a negative answer for Colorado Option Plan Networks?

Yes

Does the carrier **EXPECT** that the networks for all of the carrier's Colorado Option Standardized Plan are no more narrow than the most restrictive network the carrier is offering for non-Standardized plans in the individual or small group market for the metal tier for that Rating Area?

Yes

If No, does the carrier **EXPECT** to prepare and file the appropriate attachment within the Medical Network Adequacy Attestation Form with the specific reasons for a negative answer for Colorado Option Plan Networks?

Yes

Network Deficiency Explanation

The Health Plan does not anticipate a significant change in the network deficiencies from those submitted in Attachments B and C provided in the PY2025 filings, including Doctors Plan and Navigate, the CO Option Plan Networks. For the CO Option Plan Network midwife requirement, the plan does have a few rural areas that do not meet the network adequacy requirement.
